	PASSED UNANIMOUSLY.				
	Jim Gompers welcomed Joanna Hlavacek to the Foundation staff. She briefly gave her background.				
	<u>Celebrate – East Harbor Wellness Campaign – FINISHED!</u> Over \$2M was raised for construction and improvements. Recently achieved 100% occupancy.				
	Friends & Family Recap \$115,000 was raised for projects for the villages. Seven villages met their stretch goal which is 20% over village goal. No matching funds the last few years.				

2.	Gala	PVMF GALA, 21 WEEKS & COUNTING (Yalonda Jackson)
		Co-Chair: David & Nancy Lau, Ken & Pat Hollowell
		 Friday, November 8, 2019 at Michigan First Conference Center The Mint
		Theme: Ready, Set, Dance!
		Strolling Event
		• Goal \$300,000
		 Wonderful committee – working on sponsorships and tickets
3.	Calvin Society	Calvin Society Membership (John Denler)
	Membership	 John Denler asked board members to consider making PVM a beneficiary in will, life insurance, etc. While monthly gifts stop when the donor passes away, naming PVM a beneficiary helps PVM after one's passes. John & Paul going out to various village boards to present this idea. Two handouts. Presentation at Oakland Woods spurred new member. Suggested to bring in insurance agent to sign up members with organization being beneficiary.
4.	Donor	Handwritten thank you notes by PVMF Board members (Joanna Hlavacek)
	Stewardship	 Criteria – A gift of at least \$100 to East Harbor Health & Wellness Center and at least two other gifts.
5.	Board Generative	PVMF Strategic Plan Task Forces – Final Reports/Recommendations (Task Force Chairs)
	Discussion	 PVM was mentioned in national fundraising consultant Tom Ahern's webinar last week. Giving Matters newsletter won an Aster Healthcare in Communication Award.
		Giving Matters newsletter worr an Aster nearncare in Communication Award.
		Leadership Giving – Task force is evolving into a Major Gifts Committee. David Lau will
		chair for one year then Paul Hubbard. Paul Hubbard described the need to make people
		more aware that memorials can be made to PVM. Jim Gompers gave an overview of the
		move to Major Gift Committee. Sending a letter to potential committee members August
		1 st , followed by personal asks to join the Major Gifts committee. In October 2019, first
		planning meeting to get people to know what we do and who we are.
		 Strengthen Donor Loyalty – Bob Peterson gave overview, met seven times. Relationships
		make a difference; remember Jeff Brook's "Where's the puppy?" To better connect and
		educate the villages, have 2 or 3 village board members sit on Foundation Board.
		Running a pilot program to connect with family members – Have hired a seasonal
		employee Laurie Taylor who will be visiting each village and looking at contacts listed on
		resident applications and entering in Raisers Edge. Will communicate to families with
		information, stewardship, information, and then solicitation. Possible ways to identify
		potential board members.
		Jim Gompers mentioned the Foundation receives most funding from grants. Committee to
		look at how to increase smaller giving. Bob Peterson challenged Paul a year from today to
		look at progress made on committee recommendations and measure. Need major
		interface with family members and giving can make them feel better about themselves.
		Need more donors to do recurring gifts – 30% makes a second gift, 60% who make a 2 nd
		gift make a third -90% do recurring.
		 Board Giving – Tom Kimble gave overview – goal \$500,000 annually by 2022 and
		reviewed recommendations. Went out to village board meetings to educate – change
		perception – change behaviors – build relationships and awareness. Recommend five
		points: improve Village Board Members Orientation process to include fundraising as a
		board member responsibility, have PVMF board go out and give presentations, continue
		Board Giving Month, have two village board members serve on Foundation Board, and
		share information – what funds are available and how to access them. Motion – Tom
		Kimble made a motion and Bob Peterson seconded to add two seats for village board

		members to Foundation board with term limits for fair representation. MOTION APPROVED
		• Engage Staff & Volunteers – Avni Thomas for Bob Schroeder: Avni gave an overview of the recommendations provided in the handout. Jean's Day has been started at home office and some villages; sending a reminder to add PVM as beneficiary to insurance, start system-wide Employee Help Fund, ask Employee Help Fund recipients to consider giving back to fund at a later date.
		 Improve Campaign Planning – Henry Johnson: Overviewed five major characteristics of project with high value and high impact – Is it needed?; Does it align with our mission?; Can we deliver on the project?; Is it measureable?; and, Who will benefit? Develop an Idea Sharing form to be managed by the Director of Grants Management.
		 Planned Giving Task Force – John Denler: Overview of task force recommendations for continual promotion of planned giving, focus on gifts to villages with administrators as contact, three personalized posters to each village, mail in February annual bequest letters. John and Paul Miller will develop collateral materials and present to each village board meeting regarding Calvin Society. Look at new resident orientation with materials that spotlight the PVM Foundation at new resident receptions.
		 Next Great Fundraising Campaign Ideas (Paul Miller) Paul Miller reviewed two handouts – campaign ideas such as Thome North type program at Oakland Woods, possibly Thome East at Lake Huron Woods, Thome West at Westland and Thome Flint at McFarlan. All with PACE integration to slow down premature going into nursing homes. Resident Enabling Technology to increase independence. Leader in Fall Reduction through Village Victory Cup, wellness, etc. Dementia Care/Programs for establishing a support network. Grandfamilies to address dissolution of the nuclear family. Feel these ideas would fit well with PVM Strategic Plan.
6.	President's Report	PVMF Executive Summary (Paul Miller)
		 Executive Summary reviewed. <u>Pledge Write-Off (ACTION)</u> Three uncollectible vendor pledges on pg. 49 were presented for write-off. A MOTION WAS MADE BY <u>Mr. Tom Kimble</u> AND SECONDED BY <u>Mr. Paul Hubbard</u> to APPROVE THE MOTION AS PRESENTED. PASSED UNAMINOUSLY.
		 Village Victory Cup Village Victory Cup June 21st at The Suburban Collection Showcase, Novi, MI. Jim Gompers, Henry Johnson, Bill Ball and Paul Hubbard to attend.
		 Impact 100 (Avni Thomas) Handout on pages 52-55 outlining purpose and members. Please review and let us know if you know any members you could call for support of the grant we are submitting.
		PVM Update (Roger Myers) Grand opening on PACE Central Michigan is next Monday in Mt. Pleasant at 12:30 p.m. Friday, September 27 th is Strategic Leadership Advance.
7.	Treasurer's Report	 Treasurer's Report (Brian Carnaghi) Brian Carnaghi – investment return remains strong – no draw down due to government reopening. Also discussed potential policy for multiyear campaign policy drawdown fore pledges, more to come later on this topic.

	 Two motions pg. 60 – Brian explained each motion per recommendations of auditors. Motion 1: A MOTION WAS MADE BY Tom Kimble AND SECONDED BY Henry Johnson. Will this harm the Foundation, money already spent. APPROVED Motion 2: A MOTION WAS MADE BY Bob Peterson AND SECONDED BY Mark Wallace. Authorize to cover unrestricted funds to cover pledges. APPROVED

Presbyterian Villages of Michigan Foundation (PVMF) Treasurer's Report – One Page Executive Summary For September 25, 2019

From time to time, PVMF has supported PVM through boutique financing and credit enhancement for key initiatives.

Current credit facilities used to assist PVM are as follows:

The 2019 financial operating performance is contained in the President's report.

The treasurer urges the Board to consider a policy to allow the release of unrestricted funds for projects and initiatives where pledges of temporarily restricted donations have not been received. Management currently has no authority to do spend these unrestricted funds presently.

Management is urging the Board to take action on approving the next round of capital campaigns, as projects could be delayed if funding is not secured. Management is working on a capital financing for the Obligated Group that will need the Foundation Board's approval, as a member of the OG, at a special meeting (date TBD) in December 2019. As a part of this, management is updating the Foundation's 5-year financial proformas, and needs to incorporate key assumptions relative to the amount of funds assumed to be raised. The Foundation's strategic plan was formulated and approved in 2018.

The overall performance of the investment portfolio through August 31, 2019 was 14.36%, net of fees, which is above the benchmark performance of 12.61%. There have been no non-recurring, material funds drawn and/or reinvested in the managed portfolio since the February 2018 report. Management to direct the Investment Consultant to instruct Wm. Blair and Eagle to sell and repurchase investments to convert \$1.4 million in unrealized gains into realized gains in September 2019 so the Obligated Group could meet it debt service coverage ratio at September 30, 2019 and presumably December 31, 2019. The Investment Committee meets just prior to the Board meeting.

Policy on Advancing Funds from *Unrestricted Funds* to a PVM Affiliate Project or Initiative in Advance of Pledges Being Received

The Foundation receives long term pledges for capital campaigns and other fund raising initiatives, whereby Unrestricted Funds need to be advanced to the project or initiative in order to complete the project. Currently, there is no authorization to advance such funds. Management is recommending the Board adopt a policy to approve such funding.

Investment Policy, Portfolio Performance, and Activities

The year to date August 31, 2019 performance was up 14.36%, net of fee adjustment, compared to the benchmark of 12.61%. This is up from the negative 1.17% in the December 31, 2018 report. There was a \$1,923,000 positive spread between market value and cost on August 31, 2019, about even with what was reported on April 30, 2019. \$1,400,000 of the unrealized gains were realized in September 2019 to assist the PVM Obligated Group in meeting its debt service coverage covenant. The portfolio's equity position is at 64.2%, not including the HNB MMAX funds, which is just short of the investment policy of 65%. The full August 31, 2019 investment report was sent electronically to the PVMF Board. See excerpt attached.
